*Third Amendment to the InspireMD, Inc. 2013 Long-Term Incentive Plan*

On September 28, 2016, InspireMD, Inc. (the “Company”) held a special meeting of its stockholders (the “Special Meeting”). As described below under Item 5.07, at the Special Meeting, the stockholders approved the Third Amendment to the InspireMD, Inc. 2013 Long-Term Incentive Plan (the “Plan”) to increase the number of shares of common stock available for issuance pursuant to awards under the Plan by 6,300,000 shares, to a total of 17,270,000 shares of common stock (the “Third Plan Amendment”). The board of directors of the Company (the “Board”) previously approved the Third Plan Amendment on August 4, 2016, subject to stockholder approval of the Third Plan Amendment at the Special Meeting.

For more information about the Third Plan Amendment, see the Company’s definitive proxy statement filed with the Securities and Exchange Commission on August 18, 2016 (the “Special Meeting Proxy”), the relevant portions of which are incorporated herein by reference. The description of the Third Plan Amendment above and such portions of the Special Meeting Proxy are qualified in their entirety by reference to the full text of the Third Plan Amendment, filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

**Item 5.03 Amendment to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

At the Special Meeting, the stockholders approved the proposal to authorize the Board, in its discretion but prior to the annual meeting of the Company’s stockholders in 2017, to amend the Amended and Restated Certificate of Incorporation of the Company (the “Certificate of Incorporation”) to effect a reverse stock split of the Company’s common stock at a ratio in the range of 1-for-10 to 1-for-25, such ratio to be determined by the Board.

On September 28, 2016, following the Special Meeting, the Board approved a 1-for-25 reverse stock split of the Company’s issued and outstanding shares of common stock (the “Reverse Stock Split”), and the Company filed with the Secretary of State of the State of Delaware a Certificate of Amendment to its Certificate of Incorporation (the “Certificate Amendment”) to effect the Reverse Stock Split. The Reverse Stock Split will become effective as of 5:00 p.m. Eastern Time on October 7, 2016, and the Company’s common stock will begin trading on a split-adjusted basis when the market opens on October 10, 2016.

When the Reverse Stock Split becomes effective, every 25 shares of the Company’s issued and outstanding common stock (and such shares held in treasury) will automatically be converted into one share of common stock, without any change in the par value per share. In addition, a proportionate adjustment will be made to the per share exercise price and the number of shares issuable upon the conversion of the Company’s outstanding shares of preferred stock and the exercise of all outstanding stock options and warrants to purchase shares of common stock and the number of shares reserved for issuance pursuant to the Company’s equity incentive compensation plans. Any fraction of a share of common stock that would otherwise have resulted from the Reverse Stock Split will be rounded up to the nearest whole share.

The Company’s common stock will continue to trade on the NYSE MKT under the symbol “NSPR.” The new CUSIP number for common stock following the Reverse Stock Split will be 45779A 804.

---

Action Stock Transfer Corp, the Company’s transfer agent, will act as the exchange agent for the Reverse Stock Split.

For more information about the Reverse Stock Split, see the Special Meeting Proxy, the relevant portions of which are incorporated herein by reference. A copy of the Certificate Amendment is attached as Exhibit 3.1 hereto and incorporated herein by reference.

**Item 5.07 Submission of Matters to a Vote of Security Holders.**

## InspireMD Announces 1-for-25 Reverse Stock Split

**BOSTON, MA – September 28, 2016** – InspireMD, Inc. (NYSE MKT: NSPR, NSPR.WS) (“InspireMD” or the “Company”), a leader in embolic prevention systems (EPS), neurovascular devices and thrombus management technologies, today announced a 1-for-25 reverse split of its common stock, effective as of October 7, 2016. Beginning on October 10, 2016, the Company’s common stock will trade on the NYSE MKT on a split adjusted basis.

At InspireMD’s special meeting of stockholders on September 28, 2016, the Company’s stockholders authorized the Board of Directors to amend the Amended and Restated Certificate of Incorporation of the Company to effect a reverse stock split at a ratio in the range of 1-for-10 to 1-for-25.

Upon effectiveness, the reverse stock split will cause a reduction in the number of shares of common stock outstanding and issuable upon the conversion of the Company’s outstanding shares of preferred stock and the exercise of its outstanding stock options and warrants in proportion to the ratio of the reverse stock split and will cause a proportionate increase in the conversion and exercise prices of such preferred stock, stock options and warrants. The number of shares of common stock issuable upon exercise or vesting of outstanding stock options and warrants will be rounded up to the nearest whole share.

The Company’s common stock will continue to trade on the NYSE MKT under the symbol “NSPR.” The new CUSIP number for the common stock following the reverse stock split is 45779A 804.

The number of authorized shares of the Company’s common stock will remain at 150,000,000, while the number of outstanding shares will be reduced from approximately 36 million to 1.4 million. No fractional shares will be issued following the reverse stock split.

Registered stockholders holding their shares of common stock in book-entry or through a bank, broker or other nominee form do not need to take any action in connection with the reverse stock split. For those stockholders holding physical stock certificates, the Company’s transfer agent, Action Stock Transfer Corp, will send instructions for exchanging those certificates for new certificates representing the post-split number of shares. Action Stock Transfer Corp can be reached at (801) 274-1088.

Additional information about the reverse stock split can be found in the Company’s definitive proxy statement filed with the Securities and Exchange Commission on August 18, 2016, a copy of which is also available at [www.sec.gov](http://www.sec.gov) or at [www.inspiremd.com](http://www.inspiremd.com) under the SEC Filings tab located on the Investors page.
